

If you're one of the 1 in 5 American women who's been helped by Planned Parenthood, raise your hand.

There's never been a more critical time to raise your hand for Planned Parenthood. Because in the next ten days, Congress will decide our future. The U.S. House of Representatives voted to strip Planned Parenthood of all federal funding, and the U.S. Senate votes next on this dangerous proposal. If it succeeds, this unrelenting campaign by extremists to shut down Planned Parenthood health centers will deny millions of women access to affordable, lifesaving preventive health care.

If you are among the three million women, men, and young people who turn to Planned Parenthood for preventive health care each year: Raise your hand. If you have a family member or best friend who has ever been cared for at a Planned Parenthood health center: Raise your hand.

If you believe in the lifesaving health care our doctors and nurses provide each year - one million Pap tests, 830,000 breast exams, and four million HIV and STD tests and treatments: Raise your hand. If you believe that Planned Parenthood health centers should not be shut down: Raise your hand. If you believe that we must stop congressional efforts to put Planned Parenthood out of business: Raise your hand.

Raise your hand. Raise it now.
