# Caucus for Hillary Clinton.

## She will protect women's health.

**Hillary Clinton has been a proactive leader on expanding access to women's health care.<sup>1</sup>**

**The leading Republican presidential candidates would defund Planned Parenthood,** leaving millions of women without affordable health care, cancer screenings and birth control.<sup>2</sup>

**Planned Parenthood Action Fund has endorsed Hillary Clinton for President** because everything Planned Parenthood believes in and has fought for over the past 100 years is on the ballot in this election.

**REMEMBER WHO HAS  
ALWAYS HAD OUR BACKS.**
