

Who Are the Forces Attacking Planned Parenthood and the Women It Serves?

CMP

Center for Medical Progress (CMP)

The fraudulent activist at the center of the current controversy is **David Daleiden** and his shady organization, the Center for Medical Progress (CMP). CMP has deep connections to radical anti-abortion rights organizations **Live Action** and **Operation Rescue**.

TROY NEWMAN: Board member of CMP.

Newman once called the murder of a reproductive health physician a "justifiable defensive action."

Newman is **also** the longtime and violence-supporting **President of Operation Rescue**.

OR

Operation Rescue

A radical anti-abortion rights group that has long harassed medical providers and doctors. Ran a decades-long campaign harassing Dr. George Tiller in Kansas, until he was assassinated.

TROY NEWMAN: Board member of **Center for Medical Progress** and president of Operation Rescue.

CHERYL SULLENGER: Current senior policy advisor for Operation Rescue; planned to **bomb women's health clinics**, landing her in federal prison for two years in 1987.

SCOTT ROEDER: Also of Operation Rescue; **murdered Kansas reproductive health physician Dr. George Tiller** while he was at church.

LA

Live Action

Former Live Action research director David Daleiden founded the Center for Medical Progress. Live Action is known for its string of "gotcha" videos that attempt to undermine Planned Parenthood and deny women access to lifesaving health care.

LILA ROSE: President of Live Action. Infamous for a previously released undercover video attack on Planned Parenthood filmed with James O'Keefe.

JAMES O'KEEFE: Founder of Project Veritas. He and Lila Rose released an undercover video attack on Planned Parenthood. He also has previously released a video that targeted the community organizing group ACORN. He is also a **friend of David Daleiden, CEO of the Center for Medical Progress.**

JILL STANEK: Board member of Live Action, with a long history of supporting radical anti-abortion rights activism. Recently joined SBA List as their national campaign chair.

AUL

Americans United for Life

Consulted "for months" behind-the-scenes with Center for Medical Progress on its videos. It has used the videos to further its anti-abortion rights and anti-Planned Parenthood agenda and has called for an immediate congressional investigation and the defunding of Planned Parenthood.

SBA

Susan B. Anthony List

Anti-abortion rights lobbying group, the List has used the videos to raise money and to pressure Congress to pass restrictive abortion measures. **Jill Stanek, a board member of Live Action and closely connected to the Center for Medical Progress,** was recently hired as national campaign chair.

We know the real agenda of these people and it's never been to protect women's health.
