

STAND WITH PLANNED PARENTHOOD ADVOCATES OF OHIO

WE'RE NOT GOING ANYWHERE.

Reproductive rights are under assault from extremist politicians.

Governor DeWine signed the six-week abortion ban – the dangerous ban that criminalizes abortion before most women even know that they're pregnant. This ban places an undue burden on women by preventing them from accessing safe and legal abortion as guaranteed by *Roe v. Wade*.

Your activism and support for Planned Parenthood Advocates of Ohio sends a message, loud and clear: **We will not take this lying down, and we will not go back.**

Planned Parenthood Advocates of Ohio

Across the nation, advocates like you are leading a movement to protect reproductive rights – **one house party at a time.**

A **Party with a Purpose** is a gathering of any size with like-minded friends of Planned Parenthood. Parties can take place at any time, day or night, and in any venue – a private home, a local restaurant or bar, a park, a community room – the possibilities are endless.

Your Party with a Purpose will raise awareness as well as critical funding in support of Planned Parenthood Advocates of Ohio. Every day, Planned Parenthood faces a new fight: new abortion restrictions, defunding, smear campaigns, or blocking access for patients at health centers. When you host a Party with a Purpose to benefit Planned Parenthood Advocates of Ohio, you are supporting advocacy, education, and electoral work that preserves reproductive rights for all Ohioans, including the 85,000 women, men, and young people who depend on Planned Parenthood.

Now, more than ever, we need you in this movement.

This house party toolkit provides resources and ideas to make your party a success. Your party can reflect your creativity, enthusiasm, and commitment to protecting reproductive rights and health care access!

Thank you for standing with Planned Parenthood Advocates of Ohio.

Gratefully,

Susan Melnyk
Vice President of Development

My Planned Parenthood Fundraiser on (date)

Hello Friends,

Please join me and (additional co-hosts) at (location) for a fundraiser for Planned Parenthood Advocates of Ohio.

Thanks to Ohio politicians, a person's ability to determine their own path and their future is being obliterated. Governor DeWine just signed Senate Bill 23 – the dangerous ban that criminalizes abortion after just six weeks, before most people even know that they're pregnant. This is a disappointing, sad, and even scary moment for us in Ohio.

Our friends, family, and neighbors deserve better. When reproductive health care is protected, communities thrive. If you're as angry as I am that our representatives are slashing a person's access to health care – join (me/us). Let's fight to protect everyone's right to reproductive health care including safe, legal abortion.

(Date, Day, Time)

(Address)

RSVP to (phone and email) by (date).

I hope to see you there!

ASKING GUESTS TO SUPPORT PLANNED PARENTHOOD

Every dollar you raise supports the critical work of Planned Parenthood Advocates of Ohio. Here are some tips and a sample to help you be successful:

- Make the ask compelling by telling a story or explaining why you care about access to reproductive health care. This can be your personal story, a story that's been told to you, or someone else at the party can tell a story.
- Clearly ask guests to give a specific amount. We recommend asking for "\$5 to \$10 per month," or something similar.
- Provide donation pledge forms and pens. Also let guests know they can make gifts at www.ppao.org/donate; you might want to consider having a laptop or tablet open to this page.
- Deliver all pledge cards and payments to your local PPAO office either in-person or via mail. **If submitting payments via mail, please contact us** to request a secured prepaid envelope or send certified. Please call our development team at **614-358-8738** if you would like assistance submitting your donations.

SAMPLE PROGRAM

Your program should communicate to your guests how important Planned Parenthood is to you, why they should care, and then ask them to contribute. Everyone has come to the party to support Planned Parenthood Advocates of Ohio, so your guests will be eager to help. Here is a 10-minute sample program to help boost support and connect your guests to this important cause.

1. Welcome and thanks. Gather everyone into a space where they can see and hear the speaker(s). Start by welcoming everyone to the event and thanking them for their time. Thank the other co-hosts and anyone else who helped make the event happen.
2. Talk about the importance of access to safe and legal abortion for Ohioans. Describe any other services and care that you think are important to protect such as giving people accurate health information and sexual health education for teens.
3. Discuss why protecting these rights and services is important to you. Tell a personal story, have someone else tell a personal story, or repeat stories that have been told to you.
4. Feel free to show a video provided by Planned Parenthood. Here are some good options:
 - Unstoppable: <https://youtu.be/-FUfDjk8-c4>
 - A Message from Dr. Leana Wen: <https://youtu.be/P8bCLk-eueo>
 - This is Health Care: <https://youtu.be/OGYCQ5OVeAQ>
 - Why Planned Parenthood Matters: <https://youtu.be/6gT2cE3-wSM>
4. Ask your guests for financial support. Have a volunteer distribute pens and pledge cards as you ask. Tell them to hand pledges to you or deposit them in the container at the registration table.
5. Close by thanking your guests again. Tell them you would love for one to three guests to host their own party, and to see you to talk more about it.

SAMPLE FUNDRAISING REQUEST

“**Thank you** for coming to support the fight against Senate Bill 23, the dangerous six-week abortion ban. This ban is one of the most extreme in the country – criminalizing abortion after just six-weeks, before most people know that they’re pregnant. Please join me in donating generously to Planned Parenthood Advocates of Ohio.

With over 22 restrictions to reproductive health care and bans to abortion access in Ohio, it is clear that our politicians and Governor DeWine have put their extremist beliefs before the people they were elected to represent – us. Planned Parenthood has existed for over 100 years and they will continue to fiercely fight alongside us to protect people’s fundamental right to control their body, life, and future. If opponents think we’re going to back down or turn away from a fight, they’ve got another thing coming.

My personal fundraising goal this evening is for each of you to contribute at a level that is **meaningful to you**. Because the road to protecting our access to legal and safe abortion is long, I invite each of you to commit to a monthly gift that fits in your budget. Please contribute \$5 to \$10 per month, or more if you can afford it. I’m personally donating \$XXX.

(Have a volunteer hand around pledge slips and pens) Please fill out the pledge cards now or visit PPAO.org on your smartphone. Together, we can make our collective voice heard in the Ohio Statehouse...louder and clearer than ever before!

Thank you so much for showing up and supporting me, Planned Parenthood Advocates of Ohio, AND reproductive rights throughout our state!”

Thanks for supporting Planned Parenthood Advocates of Ohio!

Dear <Guest Name>,

Thank you for joining us to learn about Planned Parenthood Advocates of Ohio. I really appreciate that you are with me in this fight.

If you didn't yet contribute, please take a minute to donate. My goal is for everyone who came to my fundraiser to make some kind of contribution, ideally a gift of \$5 to \$10 a month.

Together, we will fight for what's right and do everything we can to safeguard access to care for all people of Ohio. While we still have a long way to go to achieve this vision, the impact your donation will have on the battles today and beyond are immense.

If you already donated, thank you! I'm hoping that three of my party guests will host their own Party with a Purpose, getting at least 10 new donors themselves. Wouldn't that be great! Please let me know if you can host a party like I did.

Thank you again!
