- Do you remember your health classes? Odds are, they weren't great. Our children deserve better. Help us pass the #REACHActForIL. Learn more and take action at [bit.ly/il-reachact](https://bit.ly/il-reachact).
- When passed, the #REACHActForIL Act will require that comprehensive, inclusive, and age-appropriate personal health and safety education is taught in grades K through 12 in public schools, including charter schools, statewide. Learn more at [bit.ly/il-reachact](https://bit.ly/il-reachact).
- All Illinois students deserve high-quality personal health and safety education. Not only will the #REACHActForIL make that a reality, but it will also:
  - ensure instruction is tailored by grade level, so it is age and developmentally appropriate,
  - allow districts time to phase in new programs,
  - keep control local, putting final curriculum decisions and implementation plans into the hands of individual school districts.
