#### VOTER IDENTIFICATION LAW

Beginning January 1, 2019, Iowa voters will be required to show a driver's license, non-driver's ID, passport, military ID, veterans ID, or Voter ID Card at the polls before they can vote. During 2018, Iowans will be asked (but are not required) to show their ID before voting at the polls. If you are unable or you do not wish to show ID, you may sign an attestation instead.

#### SIGNATURE VERIFICATION LAW

A new law enables precinct election officials to challenge a voter if they believe the voter is not the person depicted on the identification card; a signature that does not match the signature on the ID is one component of that review. Poll workers will be instructed NOT to reject a ballot based solely on signatures not matching, and to take into account all of the information presented to them.

#### REGISTERING AT THE POLLS

Iowans can register to vote on Election Day with a photo ID and proof of residency (e.g., a utility bill). Or register in advance by visiting <http://sos.iowa.gov>.
