Not sure exactly what Title X is or how it's tied to our asks in the state budget? This blog post offers some background on the impact Illinois felt when Title X funding was lost in 2019. Please feel free to share it, as well: <https://www.plannedparenthood.org/planned-parenthood-illinois/blog/one-year-after-planned-parenthood-was-forced-from-title-x-six-illinois-counties-dont-have-access-to-needed-care>

Social Media Sample Posts

- Many Illinoisans are hurting and are turning to health and human services for help. Help me protect Illinois' social safety net and ensure it is a top priority in the FY22 state budget. Learn more at bit.ly/social-safety-net #SaveILSafetyNet
- If the Illinois Family Planning Program is not fully funded in the next state budget, thousands of Illinoisans are at risk of losing access to essential reproductive #healthcare. Join us and help save the social safety net: bit.ly/social-safety-net #SaveILSafetyNet
- When Planned Parenthood lost Title X funding in 2019, 6 Illinois counties lost their only Title X provider. Now, the COVID pandemic has worsened health disparities statewide. The social safety net needs funding. Join us in demanding it: bit.ly/social-safety-net #SaveILSafetyNet
- In 2019, IL family planning providers like Planned Parenthood lost Federal funding. Still, they have done their best to continue providing essential #healthcare to low-income and uninsured patients. Help ensure funding is a priority in the next state budget. #SaveILSafetyNet
- Planned Parenthood's promise to you is care—no matter what. But cuts in funding have made their work harder, while the COVID pandemic and economic challenges have increased demand. Help protect the state's social safety net: bit.ly/social-safety-net #SaveILSafetyNet
